**Re: *United States v. Capser*, 19 CR 337 (JPO)**

Dear Judge Oetken:

I write to respectfully request an extension of approximately 45 days of Mr. Capser's surrender date, currently scheduled for Monday, May 9, 2022. The government does not take a position as to this request.

Mr. Capser continues to suffer from [REDACTED] and other medical issues related to a [REDACTED]. He has undergone a number of medical procedures, including [REDACTED], to address his condition. Mr. Capser is scheduled to [REDACTED] on May 12, 2022. An extension of his surrender date would allow Mr. Capser to obtain treatment for his outstanding medical issues before entering a BOP facility.

Mr. Capser was notified on April 26, 2022 that he has been designated to the Butner Satellite Camp in North Carolina. Mr. Capser currently resides in Billings, Montana. An extension would also allow Mr. Capser to make the necessary family and transportation arrangements in advance of his surrender.

Thank you for your consideration of this request.

[REDACTED]

Respectfully submitted,

---
